

Product Highlights

- Autoroute to cheminée: ~100 % detailed street network for France available.
- From anywhere to anywhere in no time at all: Find the most direct route to your exact destination thanks to detailed door-to-door navigation. Search by post-code and define your destination right down to the house number.
- Flexible on the roads: Avoid traffic jams and road works on French motorways with the latest traffic information from ViaMichelin.
- Feeling a little peckish? Short of telling you what's on the menu, Tele Atlas guides you on the fastest route to more than 360 000 Points of Interest such as restaurants, petrol stations (including those offering CNG and LPG), car parks, train stations, ... you name it.
- What's New? Updates include lots of new information such as new streets, new residential areas, new traffic situations and much, much more.
 - Updated TMC lists for France improves dynamic route guidance.
 - Additional more than 120 000 services in different categories as destination included.

Tele Atlas is unique in being certified to the ISO/TS 16949 standard for its map quality.
